Information Brochure for Walk-In-Interview for Appointment of Project Consultant (Electrical Works) and Project Engineers (Electrical and Civil works) on Contract Basis

1. ABOUT THE INSTITUTE

National Institute of Technology Jamshedpur is an Institution of National Importance, by an Act of Parliament (Act 29 of 2007) namely, the National Institutes of Technology Act, 2007, which received the assent of the President of India on the 5th June, 2007. This was formerly known as Regional Institute of Technology (RIT) Jamshedpur and was established on 15th August 1960 with the aim of nurturing young engineers for economic growth of the Nation.

NIT Jamshedpur is situated in the Western part of the city Jamshedpur. The flowing river Kharkai and picturesque backdrop of low hills on one side, and large tracts of forest on the other side, make the 350 acres of rolling campus an ideal place for higher learning and research.

Institute offers academic programmes: B.Tech (Hons.) - 7, M.Tech - 16, M.Sc – 3, MCA and Ph.D. in the various disciplines. NIT Jamshedpur has well qualified faculty and dedicated supporting staff.

Institute is committed for academic excellence, good governance, digital campus and good infrastructure.

Planning and Development division is the functional unit of the Institute, which is responsible for the development and maintenance of infrastructural facilities related to civil works, electrical works, sanitation, network system, etc. There is a MOU between NIT Jamshedpur and CPWD, NIT Project Division, Jamshedpur for construction, renovation and maintenance works (Civil and Electrical work) on a turnkey basis as a deposit work.

Please visit Institute website for details of ongoing and future projects of the Institute.
